PRIZES are for 12 yrs and under. Please post Quiz in the blue box.

2. Another animal is having an unusual meal. What is it eating?

**3. One thing here made of wood looks like it could talk! Can you draw it?**

4. There are two exhibits here which are NOT animals but have what look like TUSKS, HORNS or TEETH! Can you find one and name it, or say who made it?

5. You can see things displayed here made in different materials: wood, clay, silver, even paper jewellery! Many are made with various tools: a camera, loom, kiln, or hammer and nails. Objects can look very different but still tell a story. Can you find these and say which you think tells the *most interesting* story? (Put a tick below.)

- A) Eleanor Bartleman's Nymphs and Foxes?
- B) Tony Mann's musical building?
- C) Mike Tingle's Barbie's picnic?

And what is your favourite made of?.....
