

Engage and inspire your students, community or residents in active participation with contemporary craft

We have a lively, thought-provoking programme of exhibitions, talks, demonstrations and workshops throughout the year.

Our outreach scheme *Big Hand, Little Hand* places professional craftspeople with groups wanting to work with skilled practitioners.

You can:

- Bring your group to visit our exhibitions at Riverside Mill for free
- Download exhibition support material for free
- Bring a skilled maker to your group to encourage creative skills in your school, community or business

The Devon Guild of Craftsmen is an educational charity and membership organisation committed to increasing the understanding, enjoyment and appreciation of contemporary craft.

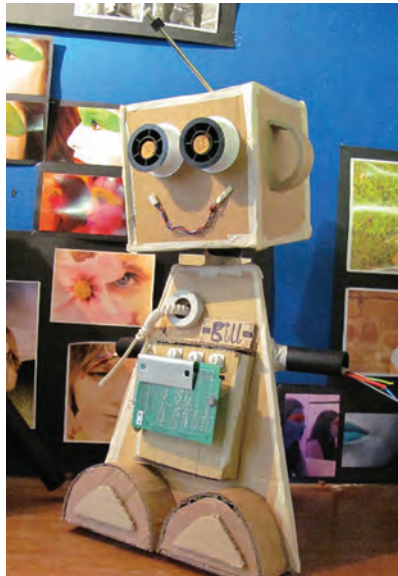

Please see the education resource on our website www.crafts.org.uk, visit our premises at Riverside Mill or contact our Education Officer Philippa de Burlet for further information on 01626 832223 or phil.deburlet@crafts.org.uk
