Join our creative network at the largest contemporary crafts centre in the South West

Our mission is to promote the highest standards of craftsmanship and design as a national centre of excellence for contemporary craft, maintain a sustainable framework for all makers in the South West to reach their creative and commercial potential and develop opportunities for everyone to enjoy craft and learn through making. The generosity of our community of supporters helps us to achieve this aim.

Your support makes a difference

We welcome over 120,000 visitors a year and deliver touring and outreach work that involves communities across the region and country. Our *Freehand* outreach education programme brings crafts and making to all sorts of groups and individuals who otherwise wouldn't get that chance: from residents of care homes and refugees, to young carers. We support the development of skills in order to empower people, increase confidence and wellbeing and to inspire an enduring love of craft. With your help, we can carry on forging partnerships that bring craft within reach of people who otherwise would never get the chance. Why not join us now? Or make a gift of Friends membership to someone you love. Thank you.

"The Devon Guild of Craftsmen... is always a joy to visit & bring visitors to... the quality is always outstanding. We are Life Friends of the Devon Guild... it's a wonderful way to stay in touch and, of course, visit!"
