

*Arts Council England's open funding for artists: an introduction
by Heather Holcroft-Pinn, Development Officer, Devon Guild of Craftsmen*

Heather will be talking about Arts Council National Lottery Project Grants (previously known as Grants for the Arts): <https://www.artscouncil.org.uk/projectgrants> and the new 'Developing Your Creative Practice' fund: <https://www.artscouncil.org.uk/DYCP>

This workshop will comprise a presentation by Heather of 1.5 – 2 hours covering the different funds, discussion of potential project ideas and the elements needed to prepare a successful application for these and other funding sources. If you already have an idea for a funding application stay on for a 1-to-1 application clinic in the third hour and get feedback on your project plan (subject to availability – free but please reserve a place at time of booking).
